President Message:

I find it hard to believe but we are going into my second year as President and I cannot thank all of you enough for all your hard work in making this a very successful non-profit club. We have a lot to be proud of as we have had many challenges over the last few years but we are succeeding and growing our club thanks to all of your hard work.

If you have not already heard the news this year's officers are:

Ed Martin – President

Jerry Lindstrom – Vice President

Jan Baxter – Secretary

Sandra Martin – Treasurer

Communications Secretary – Carole Bess White

It has been a busy and beautiful summer; it's hard to remember a more enjoyable summer, not too hot with minimal rain. We have been working in our yard and hitting all the garage and estates sales that we can and found some great items. Hopefully you found some great items too and consider sharing your items with other members at the Bring & Brag table at the next meeting and maybe even donating one or more of your items to the PROG auction. Remember it does not have to be glass to donate but it is extra special if it is.

I want to especially thank our newsletter committee that dedicates so much time and effort into presenting each newsletter in the most professional manner. I receive more comments about how people look forward to receiving and reading the newsletter each month.

Thank you: Cindy Thomas, Jewell Gowan, Barbara Coleman, Neal Skibinski, Carole Bess White, Yes Graphics Printing Co. and all the others who provide articles and pictures, you do a fantastic job.
